# Making Waves Across Dubai

With decades of experience keeping businesses and people safe, Guardforce Security Services provides resorts across Dubai with lifeguards and pool attendants. We are licensed to supply professional lifeguards and supervisors on short and long-term contracts, often at short notice.

Our staff are trained to watch over beaches, swimming pools, water parks and private developments.

Certified by the Government of Dubai's Health and Safety Department

Every lifeguard is qualified and experienced in first aid and life-saving procedures, including defibrillation and CPR.

We have assembled a specialist team of fit and proactive lifeguards, whose attentiveness keeps your clients and guests safe at all times. Every Guardforce employee is rigorously assessed and background checked, providing the highest standards of protection. By preventing accidents and responding swiftly to emergencies, our staff can improve your company's image, while giving you extra peace of mind.
